

# ACCPAC Advantage Series 5.0 Features and Benefits

Here are some of the significant ACCPAC Advantage Series™ version 5.0 features and benefits.

## Pure Web-Based Solution

- Anytime, anywhere access – all you need is a Web browser!
- Another “First to mid-market” for ACCPAC!
- Reduced infrastructure costs
- Reduced training costs – familiar user interface
- Easy to use, easy to access – non-financial staff can access information

## Highly Scalable

- Supports multiple databases – Pervasive.SQL™, Microsoft® SQL Server™, IBM DB2®, Oracle®, CA Ingres® II
- Multiple editions – Enterprise, Corporate, Small Business, Discovery
- Supports multiple platforms – Microsoft, Novell Netware®, Red Hat Linux®, UNIX
- Multilingual – English, Spanish, French, Chinese

## Customizable & User Friendly

- Flexibility – end users can choose to resize forms
- User access and security at the form and field level – to reduce errors and for processing efficiency
- Field level customization to change business rules
- More information available on a single screen – for example, enter line items and see inventory availability from the Order Entry header screen!

## Flexible Deployment Options

- Reduced deployment and administration time and costs
- Reduced setup and configuration time and costs
- Easier setup for the way clients do business

## The Ideal Foundation For End-To-End E-Business Solution Success

- Cutting edge technology and architecture
- ACCPAC eTransact – integrated Web store
- ACCPAC eCRM – customer relationship management
- ACCPAC WMS – warehouse management solution
- ACCPAC HR Series – human resource management
